After a successful Group Order purchase (i.e. a purchase of more than one seat), the buyer will see the option to enroll themselves in the purchased product.

Step 2 of 3

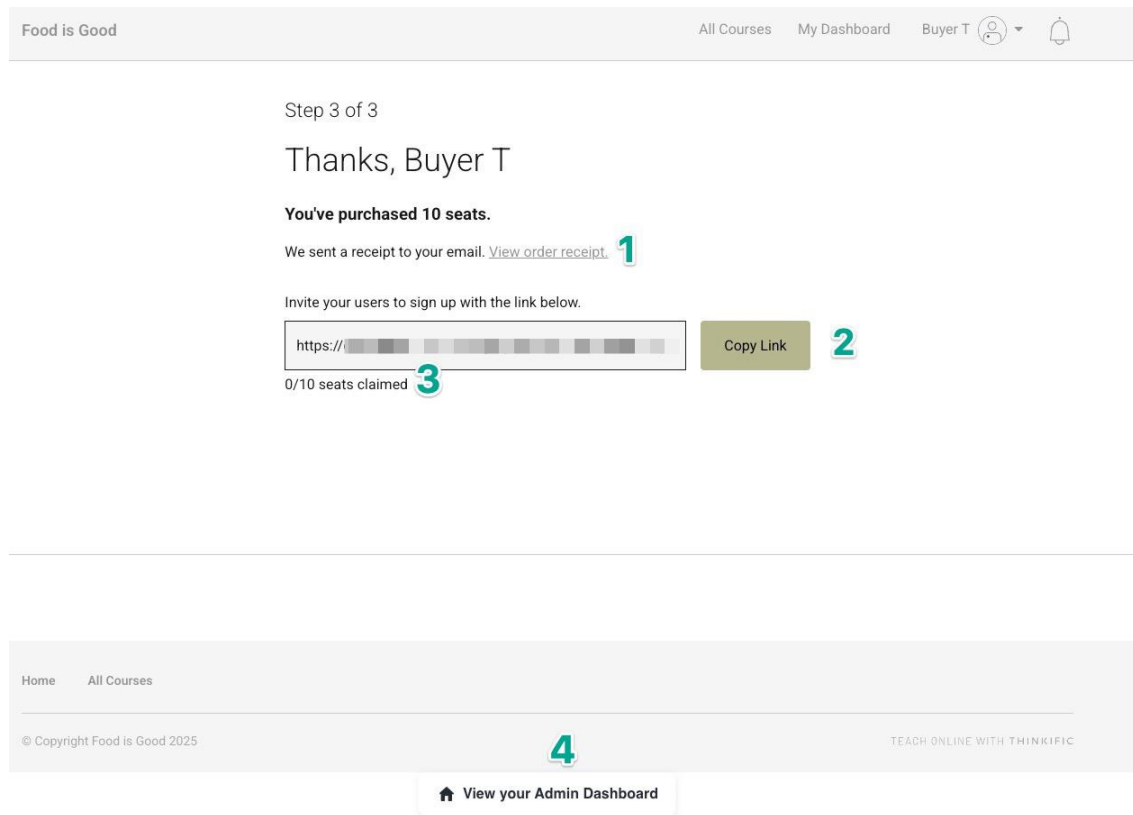

Do you need access to this product?

- ☒ Yes, I need to claim a seat for myself and others
- ☐ No, I am only buying for others

[Next](#)

Next, the buyer is brought to the thank you page with additional seat management options:

1. View the order receipt
2. Copy and share seats by copying the sign-up link
3. Track how many seats have been claimed
4. Access their Admin Dashboard

### Seat Manager Role and Dashboard

Every buyer who makes a Group Order purchase is assigned a Seat Manager role. This role grants them access to an Admin Dashboard, which allows them to:

- Track seats purchased, claimed and unclaimed
- Invite users to claim their seat
- Purchase more seats as needed
- Enroll and unenroll users (coming soon)

No more back-and-forth — just simple, self-serve seat management.

### Smarter tools to boost learner engagement

You now have deeper insight into user progress, with the ability to:

- View enrollment dates and login activity
- Spot and re-engage inactive users
- Track learning progress (coming soon)

**The Seat Manager will receive an email notification when the first student signs up using the Seat Manager's sign-up link. This email is sent for the first claimed seat only.**

## Student Experience

**To get access to their seat, your employee/IC needs to sign up using the sign-up link shared with them buy their Seat Manager. They will be brought directly to the checkout page for the product that they got a seat for, where they will need to create an account in their own name with their own email to get access to the product. The student will also receive a \$0 order receipt that will indicate that no charge has been made.**
